About the HIMT: "Where Education is a Passion"

HIMT Group of Institutions was established in the year 1998 by the same enlightened group of people from a cross section of society who had joined together & formed the Shanti Educational Society, registered under the registration Act. XXI, of 1980..

About the Department of Education:

The Department of Education is a part of HIMT Group of Institution. It plays an important role in the field of Teacher Education courses by running. M.Ed., B.Ed., D.El.Ed. **Vision: "Teachers are architects of Society"** To establish ourselves in global scenario to produce highly skilled teachers and personalities of academic excellence in every field and all aspects of life.

Mission: "Vidya Dharmen Shobhate"

To ornate pupil teachers and future teacher educators with righteous conduct as reflected in our emblem 'Vidya Dharmen Shobhate'. Also to produce teachers embodied with cultural traditions of our society and also modern enough to keep pace with changing time.

Objective: उत्तिष्ठत् जाग्रत् प्राप्य वरान् बोधयत् –उठो जागो और अपने लक्ष्य को प्राप्त करो।

To develop all round personality of teachers/teacher educators to serve as a propagator of constitutional values and educational innovations and train teachers/teacher educators to blend conventional learning with modern ICT enabled techniques.

Theme:

We can't educate today's students for tomorrow's world with yesterday's school, "Damian LaCroix".

The Explosion of Technology flipping the 20th Century model of education and transforming it into a new digital high-tech, high-touch, landscape.

Our lifestyle and technologies have once again outgrown our physical and social infrastructure. "Compared it to putting a size 12 foot in size 8 shoe". Every institution in society is facing not just a suitable change, but a reset. No one gets a free pass, not even education.

Sub Themes:

1. Primary / Secondary/ Vocational/ Higher Education system in India..
2. Indian Education System neglects innate skill.
3. Absence of counselors.
4. Imphasis on scores rather than education itself..
5. Encourages flock mentality.
6. Liberal Licencing and Unqualified faculty.
7. Negative Monetary for Researches.
8. Running as a Business Unit.
9. Incentivizing hyper –competitiveness rather than encouraging Co-Learning.
10. Not in Line with Latest Technology-Not Enhancing Creative Thinking
11. Relevancy of subjects in changing world.
